Dear Barney,

Welcome on behalf of Brescia University's Office of Financial Aid. This is your official 2016-2017 Award Letter. Please sign and return this letter along with any other documents listed below to accept the aid offered and be complete within our office. All previous award packages were estimated on enrollment and FAFSA information available at that time. All financial aid awards are subject to change based on Estimated Family Contribution (EFC) changes, housing status, enrollment status, Brescia University policy and Federal and State guidelines, and funds availability. Current award information is based on Full Time as a Third Year living Off Campus.

Please write NO or lesser amount next to loans you wish to decline and we will not expect the items needed for those.

Fed Direct Loan MPN online
Fed Direct Loan Request Form

Keep in mind that this financial aid offer may be more than your actual cost-that may have been quoted to you. This allows you the choice to borrow more for unknown expenses such as books, supplies, travel, and miscellaneous costs.

To date, we have received the following items:

FAFSA Free App Federal Student Aid
Entrance Counseling online

Notes: Any additional notifications will appear in this section of the letter.

Brescia University will first apply all private, federal and state grants to student accounts then apply institutional aid up to the student's total direct costs. Books and fees are normally paid with KEES funds and loans. When Brescia Institutional funds are involved, only loan funds may be refunded.

I have read and understood all of the enclosed materials. I understand my rights and responsibilities as a student receiving financial aid. I authorize Brescia University to use any Title IV, Higher Education Act Program Funds, and state funds to pay for all Brescia University tuition, room and board, and other related fees.
